We're finally caught up to the raws!! ^^

I can finally sleep LOL but don't worry, this webtoon updates every Wednesday (the exception being when the author takes a short break). So I'll do my best to get the chapter uploaded every Wednesday, although it's gonna be posted later than my usual time most likely T_T I can't give a specific time, but I'll definitely work hard to upload it the day the author releases a chapter! Thank you for all your support <3
